INTERSTATE 215 SOUTHBOUND OFF-RAMP AT MILL STREET REOPENS AND SOUTHBOUND INLAND CENTER DRIVE OFF-RAMP WILL CLOSE

San Bernardino – Caltrans and the contractor announce the reopening of the southbound Mill Street off-ramp on Saturday, March 28th.

At the same time, the southbound Inland Center Drive off-ramp will close. The contractor is continuing to work on widening of the Inland Center Drive Bridge. This off ramp is expected to be closed until approximately November 1, 2009. Please use Mill Street or Orange Show Road off-ramps as an alternate and follow the detour signs.

Please allow additional travel time due to lanes being restricted. To avoid rear end collisions merge early and allow distance between you and the car in front of you.

This “Alert” will continue to be updated with new information for the duration of the project. For your convenience you may sign up for automatic notification of this alert by visiting our website at www.caltrans8.info and go to “CT Connect” or News and Document Center.

For information on the entire project you may also go to www.sanbag.ca.gov.

Caltrans would like to thank motorists for their continued patience during the I-215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE***.
